Staff shall have a professional dress code. In leisure time and when not on the job, staff are still "admired" as leaders and ambassadors and are expected to dress to edify Christ and coincide with the convictions of Sonshine policy and administration. This will build unity and prevent a dual image being presented to the youth attending Sonshine ministries. Staff must meet or exceed the school student dress code expectations. Staff are expected to refrain from attending places for purposes Christ would not attend.
